

**2023 ANNUAL GENERAL MEETING OF THE
INTERNATIONAL INSTITUTE OF LOSS ADJUSTERS
IN MAGNIFICANT SPAIN!!
EVENTS AND AGENDAS**

1ST STAGE OF THE TRIP: BILBAO PreConference
BASQUE COUNTRY (EUSKADI) / CANTABRIA

City of BILBAO (September 27th and 28th, 2023)

Welcome Cocktail Reception Wednesday, September 27; Tour of Bilbao Thursday, September 28th

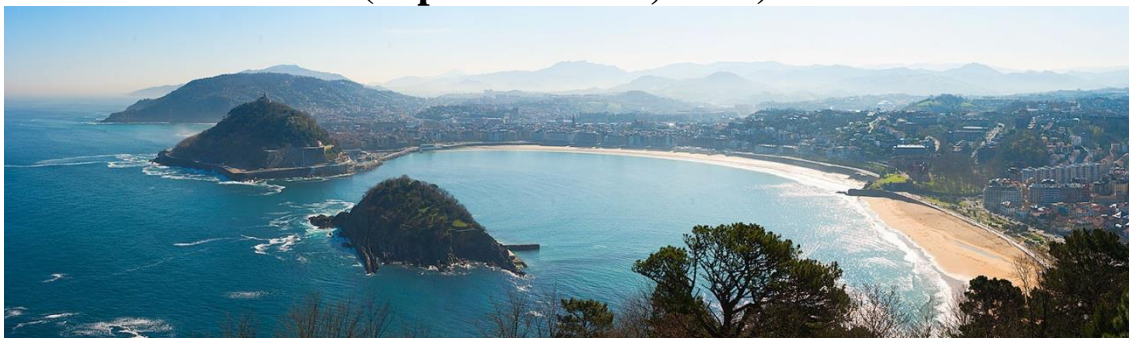

Bilbao is today an internationally recognized urban reference because the strength of its *avant-garde* is based on integration and respect for its industrial past.

Bilbao tour includes transportation for panoramic view, local guide for up to 8 hours to tour the city, additional Museum guide, entrance to the Museum and funicular ticket.

SAN SEBASTIÁN (September 29th, 2023)

The city of **San Sebastián (Donostia)** belongs to **Gipuzkoa**, a province full of dream beaches, monumental towns, farmhouses surrounded by spectacular mountains and an extensive and varied cultural and gastronomic offer. Tour to San Sebastián and Hondarribia includes transportation, local guide for up 9 hours and ticket to Monte Igueldo.

We will travel from Bilbao to San Sebastian by private bus, with a bilingual guide at all times. Our objective today will be to get to know a medieval town by the sea such as **Hondarribia** and the capital of Gipuzkoa, **San Sebastián**.

Our first stop will be **Hondarribia**. It is undoubtedly the best preserved city in Gipuzkoa. Its streets are a medieval layout with stately buildings, narrow cobblestone streets, in whose corners a little piece of history is always kept. But if there is something that gives identity to this city, it is its gastronomy.

We will take a tour of the city of Donostia and enjoy the views of its beaches and best places.

SANTANDER– SANTILLANA DEL MAR (September 30th,2023)

Tour to Santander and Santillana del Mar

Includes transportation, accompanying guide, local guide during 4 hours (this guide is mandatory according to the local authority). From Bilbao we will go to another autonomous community in the north of Spain, **Cantabria**, to visit Santander and a traditional town called **Santillana del Mar**, where the **Altamira Cave** is located.

2^a STAGE OF THE TRIP: Conference/AGM Madrid

WELCOME TO MADRID / TOLEDO

MADRID (October 1st, 2nd, 3rd, 4th and 5th, 2023)

On Sunday, October 1st, we will leave Bilbao very early for Madrid by bus with the intention of arriving on time to take advantage of part of the morning in the city. Conference Welcome Reception at Madrid hotel.

On Monday, October 2nd, after breakfast we will get on the bus to make a tour through the city. City tour and museum El Prado – Real Palace

On Tuesday, October 3rd is one of the key days of this annual meeting. It is the day that the **Annual General Meeting** will take place for the meeting of the members.

On Wednesday, October 4th, the busiest day of work, the **Educational Conference** will take place, **attended by IILA members and local participants.**

TOLEDO (October 5th, 2023)

On **Thursday, October 5th**, we will make a leap in history to visit **Toledo**, one hour from Madrid.

3^a STAGE OF THE TRIP:

WELCOME TO SEGOVIA / CUENCA

SEGOVIA / CUENCA (October, 6th & 7th, de 2023)

Excursions to both Segovia and Cuenca make up the last stage of this trip to Spain. **On Friday, October 6th**, after breakfast at the hotel, we will leave for the **Community of Castilla-León, a trip of just over an hour**. The intention is to spend a quiet and relaxed day in a city that falls in love at first sight and return home to sleep, that is, to our hotel in Madrid. Forget the noise of a big city like Madrid and breathe other airs.

Segovia is a Spanish municipality and city, it is also the capital of the province of the same name and which belongs to the autonomous community of **Castilla y León**. This city is known for being one of the most visited in the European country, its history

dating back several centuries. An aqueduct from Roman times, a Gothic-style cathedral, palaces with more than 500 years of history...

On Saturday October 7th we will visit Cuenca.

Cuenca is a Spanish city and municipality that belongs to the autonomous community of **Castilla-La Mancha**, and is also the capital of the homonymous province.

It is one of the places with the greatest historical appeal, and also has beautiful natural landscapes.
