The cost of such additional night (approximately \$125) is **not** included in the Asuncion cost above and will be expected to be paid to the IILA separately during the Asuncion conference.

Re: Sept 24th afternoon, we have to be at the airport, at least one hour before the plane departs.

And an hour before to leave the Hotel. That day we have to get up super early, and we will be walking a lot.

For everyone's knowledge, especially women. Every day we will be wearing casual sport (jeans, shirts, polo shirts, etc.).

However at the dinner of the last day, we will dress with a suit and tie. Also, for men, it could be cocktail day at the end of the educational day at the Central Bank.

However, if you want to travel that same day, we have no problem.

It is only for you to rest. Without being running from one side to the other.

Víctor A. Duarte

There is no pre-arranged transportation to or from the Hotel from the Airport

There are no direct flights from the United States, Mid East or Pacific to Paraguay-rather international flights are routed mainly through Brazil & Argentina. There are flights from other South American countries to Asunción on a regular basis. The trick is to timing of your international flight with the connecting flight to Paraguay.

Paraguay requires a VISA from the following countries;

1. United States-Cost \$160 US (Cash only) that can be obtained upon arrival at the airport.
2. Canada-Cost \$150 US (Cash only) same as above
3. New Zealand-Cost \$140 US (Cash only) same as above
4. Australia-Cost \$140 US (Cash only) same as above
5. Qatar-Cost \$140 US (Cash only) same as above

One needs to plan properly for their flights to Paraguay and check with their travel agents or respective government in case the above visa requirements have changed.
